

CIG Symposium

"Advances in Positioning Technologies and Applications to Mapping"

February 19 & 20, 2009

**Centre of Geographic Sciences AV Room
Lawrencetown, Nova Scotia**

Come to COGS to exercise your brain during the day and play some hockey during the evening, then round it all off with some socializing and a meal at the MidValley Hotel & Restaurant

We have speakers coming from Ottawa and Montreal including people from TerraPoint, DigitalGlobe, and the Canadian Space Agency in addition to several from Nova Scotia including people from COGS, Leica, Trimble, the Canadian Hydrographic Service, C-CORE and AGRG to present.

The event is free to presenters & CIG members and to keep costs down we will be charging \$150 for professionals and \$50 for students to attend the 2-day event. This will also include their CIG membership which will entitle them to 4 issues of Geomatica (normal subscription \$275 value). For those interested in playing some hockey (\$20) we have that scheduled for the late afternoon of Feb. 19th followed by a social hour at the MidValley Hotel and supper (\$25).

To register please fill out the form and fax to 902 825 5479
