

Where ideas work

**Ministry of Transportation and Infrastructure
Multiple Locations**

This position can be performed from Nelson or Terrace; however, Nanaimo and Kamloops may also be considered subject to Ministry operational requirements.

Applicants who do not fully meet the required qualifications may be considered for this position, but at a lower classification.

**Survey Technician
\$60,998.61 - \$69,422.06 annually**

The Ministry of Transportation and Infrastructure plans and improves transportation networks, builds new infrastructure, provides transportation services, and implements transportation policies, to allow for the safe and efficient movement of people and goods.

As a Survey Technician, you will perform technical tasks and ensure that the delivery of highway engineering and survey/mapping services are technically correct and that they meet Ministry standards.
