

Where ideas work

Ministry of Forests

This position is located in Chilliwack, however other locations within the Business Area may be considered.

GIS Team Lead

\$66,557.72 - \$75,884.38 annually

BC Timber Sales (BCTS) manages about 20 per cent of the province's allowable annual cut for Crown timber, generating economic prosperity for British Columbians through the safe, sustainable development and auction of Crown timber.

BCTS also supports government's commitment to true, lasting reconciliation with First Nations in BC as we move toward fully adopting and implementing the United Nations Declaration on the Rights of Indigenous Peoples and the Calls to Action of the Truth and Reconciliation Commission.

The Business Area GIS Team Lead/Supervisor works within the business area managing local GIS staff and providing expert advice to local management, technical and professional staff as well as stakeholders, First Nations and industry clients on the use and interpretation of corporate data set(s) to maximize the potential of GIS and related geospatial and information technologies in support of business area objectives.

The BC Public Service is committed to creating a [diverse workplace](#) to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

For information about the Indigenous Applicant Advisory Service please visit: [Indigenous Applicant Advisory Service - Province of British Columbia \(gov.bc.ca\)](#).

Qualifications for this role include:

- Diploma or degree in geographic information systems, resource management, geography or computer science or related area, or equivalent.
- Minimum of 5 years of experience developing and managing large spatial and attribute data sets using database management tools and applications.
- Minimum of 5 years of experience developing methodologies and performing custom geo-spatial data modelling and complex analysis and interpretations.
