

Where ideas work

**Ministry of Forests
Campbell River, Port Alberni**

**GIS Analyst
\$63,446.31 - \$72,142.65 annually**

BC Timber Sales (BCTS) works collaboratively with regional and district operations to plan, develop, and auction a substantial portion of the province's annual available timber volume. BCTS operates as a for-profit entity within a government organization. Its goal is to provide credible representative price and cost benchmark data for the Market Pricing System through auctions of timber harvested from British Columbia's public land. BCTS operations are guided by three overarching principles, forest sector safety, reconciliation with Indigenous Peoples and sustainable forest management.

The GIS Analyst conducts advanced spatial data analysis to support program and management decision-making on resource planning, land management and other program issues.

The BC Public Service is committed to creating a [diverse workplace](#) to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

For information about the Indigenous Applicant Advisory Service, please visit: [Indigenous Applicant Advisory Service - Province of British Columbia \(gov.bc.ca\)](#).
