Hosted by:

- Geomatics Engineering and Lassonde School of Engineering
- CIG Toronto Branch

Speaker:

Andrew Sit

B. Math

Product Manager,
Teledyne Optech

Andrew Sit joined Teledyne Optech in 2013. Since joining, he has gained a holistic view of laser scanning through multiple roles, from customer support and field-work to systems-engineering and product design. In 2019 he took on the role of Product Manager- Software, where he is focused on delivering innovative software solutions to clients' challenges.

Andrew has a Bachelors of Mathematics in Mathematical Physics from the University of Waterloo and brings a strong technical background, hands-on approach and customer focused attitude to all of the work he does.
